RE: U.S. Patent Application Serial No. 08/252,491
HEMATOPOIETIC PROTEIN AND MATERIALS AND METHODS FOR
MAKING IT
Our Ref. 93-12C3

Dear Mr. Silverberg:

As a follow-up to our phone conversation of today's date, attached is a copy of the return postcard as received from the U.S.P.T.O mailroom on August 29, 1994.

On Friday, March 10, a patent agent from our office will be visiting a Patent Office Examiner regarding another matter. If you would need any other paperwork, require signatures; or if it would help expedite matters, she would be available to meet with you. Please let me know as soon as possible if she could be of any further assistance.

Otherwise, thank you so much again for your prompt attention to this matter.

Sincerely,

Marci Fukuhara
